**Critical Information Summary for NBN Primary & 4G 50GB back up Mikrotix Static IP**

**Information about the service**

The NBN is high speed internet access that can be used for internet, VoIP & video calls. Depending on your address will determine the delivery method of the NBN such as FTTP, HFC, FTTC, FTTN, FTTB. Some NBN types such as FTTC FTTB require a PSTN to code to if you do not have one Telstra will charges a once off fee of \$300 to connect it to the socket. For redundancy fail over we offer a static IP of the NBN to the 4G service on MikroTix hardware.

**What's included?**

Access to the NBN on one of the 5 speeds chosen below. Please note that the type of NBN you have could limit the maximum speed the NBN will allow. For NBN types such as FTTB, FTTN, FTTC we may only be able to provision speeds 25/5.

**Information about pricing**

**Minimum Monthly Charge**

Monthly Recurring Charges	12/1 mbps	25/5 mbps	50/20 mbps	100/40 mbps	100/20 mbps	250/25 mbps
Unmetered Subject to Fair Use Policy	\$49.35	\$70.50	\$82.25	\$97.50	\$90.45	\$108.70

Copper delivery methods of the NBN require a PSTN line to be sacrificed if you do not have one an additional \$300 for a copper line is charged once off to a socket. If there is not a socket available or jumpering is required by a telephone technician there could be additional charges which can be quoted.

**Monthly**

Monthly Recurring Charges	50GB
50GB cap	\$20.00

50GB is the monthly limit. No data will flow after this if you use 50GB within the month. iPacific can log into the IMS portal to check what you have used of the 4G service at any time.

Item	Once Off Charge
Activation of SIM	\$10.00
Pre labelled MicroTix	\$550
TP-Link modem	
Netgear	
Postage	\$35.00

#### Voice or Video Calls

Speak to iPacific for our voice products.

#### Support & Outages

Should you experience a problem with the NBN or 4G redundancy please call us on 1800 00 77 77 or email us at [service@ipacific.com.au](mailto:service@ipacific.com.au)  
 The NBN does not have SLA's it is a best effort for the NBN to resolve any faults.

#### Billing

iPacific invoice on the 5<sup>th</sup> of each month unless this falls on a weekend then it will be the following day. Clients have 14 days to pay otherwise they will receive a \$10 late payment fee or 5% of the outstanding for clients owing more than \$200 + GST.

#### Usage Information

All NBN are unmetered data.

Should you have other services with us & you wish to monitor your usage mid month you can contact us to be given access to an FTP site to view your services. You can also phone or email us to run a history report of the service ID in question.

#### Enquiries, feedback & complaints

We are committed to providing you with excellent customer service. Please contact us on 1800 00 77 77 or [info@ipacific.com.au](mailto:info@ipacific.com.au)  
 Our Complaints Handling Policy can be viewed at <https://ipacific.com.au/legal/>

#### Telecommunications Industry Ombudsmen (TIO)
